Invitations

MY BIRTHDAY
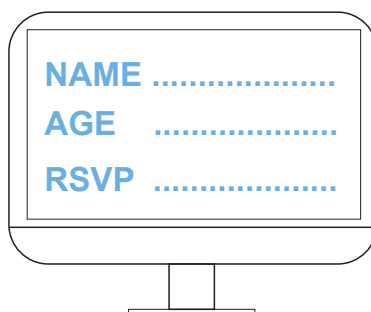

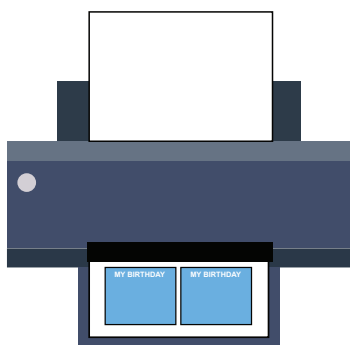

What you'll need:
*Adobe reader
*Printer
*Cardstock paper
*Scissors

1 Open invitation template in adobe reader and edit text by clicking in fields and typing party information. The fields will be empty but are set up to hold information in this order: Name, age, date, time, Address and RSVP.

NAME ....
AGE ....
RSVP ....

2 Print template onto cardstock paper.

3 Use scissors to cut invitations to right size.
