

BIRTHDAY Buzzin

We hope our free printables are useful in helping to create the perfect birthday party! If you would like to submit your party to be featured on Birthday Buzzin we would love to see it. Send in your party photos to BirthdayBuzzin@gmail.com and show us some of the highlights of your party. Talking of highlights here's a recent Frozen birthday party submission we've just featured on Birthday Buzzin.

If your party is featured, it will be viewed by party planners all over the world as Birthday Buzzin receives a ton of visitors everyday not only on our site but on our Pinterest too. We will include any details you provide about how you setup your party and link back to your website (if provided). As a special thank you, you'll also receive a coupon code to **get 50% off any printable party kit purchase on our site** for your next party. 😊
