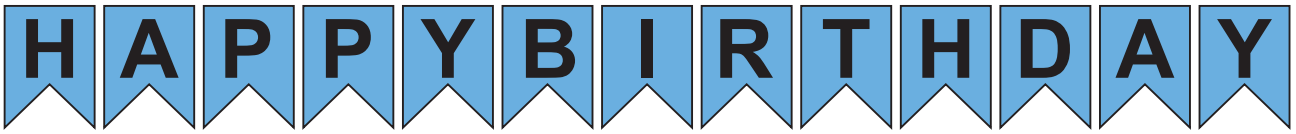
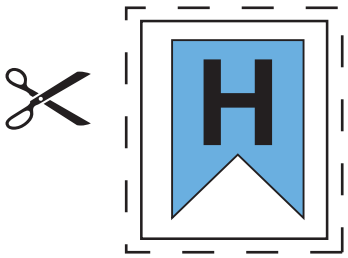
Birthday Banner



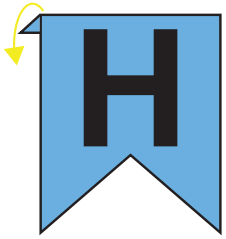
What you'll need:
*Adobe reader
*Printer
*Cardstock paper
*Scissors
*Sellotape or glue

1. Print birthday banner template (For sturdier templates use card-stock paper).

2. Cut birthday banner templates out with scissors.



3. Fold the top section of each banner piece (ensure you fold away from the side with the design)



4. Measure twine or ribbon and place in fold of banner pages before taping down.
